

ME, MYSELF AND I

ABOUT ME

- I am Francesca Capizzi and I am 18 years old.
- I live in a small town, Cellole, in the province of Caserta.
- Currently I'm attending the last year at the "IIS FERMI FILANGIERI". I've studied languages for many years.
- In the summer I work as a babysitter or waitress.

EGO

- I am a good girl, always willing to help and be useful to people. I like meeting new people and working with them. Despite being very stubborn, I can also change my opinion.
- I am very cheerful, I love life in all its nuances and I strongly believe you must always look at the positive side of things.

MY HOBBIES

- I like spending time with my family and my friends.
- I have been playing volleyball for 8 years, but I stopped because of the pandemic...I would like to start kick boxing.
- I also like to read, listen to music and watch Netflix.
- I really enjoy a lot of things, but the most beautiful of all is travelling.

MY FAVORITE PASSION

For me, the most important thing in life is freedom and that's why I love to travel and explore the whole world.

Understanding different cultures and making new friends on the way is what I find very important for me at the moment.

In the future I'd like a job opportunity in this field.
