Hi, i'm Simona, i'm 16 years old. I'm from Minturno and i'm a student. I am in the fourth class of the tourism course at the Economic and Technical institute G. Filangieri. I have two older brothers, one older sister and a younger brother, their names are Danilo, Luca, Valentina and Andrea. My parents are Amalia and Gennaro.

My hobbies are hanging out with my friends, reading, and watching films or series at home or at the cinema.

My daily routine is: i wake up at 6:30 a.m and at 7:20 i take the bus to go to school. My school day finishes at 13:10 except for tuesdays and fridays that finishes at 14.10. Later i take another bus to go back home. Once arrived there i have lunch with my family and after that i go in my bedroom to realx a little bit, then i do my homework. Once finished them i usually hang out with my friends, then at 9:00 p.m i go back home and have dinner. Sometimes i watch a film or i just stay on instagram with my telephone and after i go to sleep.

In this photo i'm with three of my best friends, they are my classmates and their names are Mariem, Giulia and Federica. I have other two best friends named Asia and Fabiana, and they're my classmates too.

After i leave school i would like to go to university to study languages. My favourite subject at school is english and i don't really like maths. After university my dream is to go working out of Italy, especially in London.
